 NAZI WAR CRIMES DISCLOSURE ACT
 DATE 2007

1. *[]* has requested that Bundespersonalausweis and Fuehrerschein be prepared and issued to members of DTLINEN. Attached are 1776, part A, six applications for Bundespersonalausweis, eight requests for Fuehrerschein, and appropriate photographs.

2. The six individuals for whom the Bundespersonalausweis are requested are presently in possession of MKTOPAZ issued Kennkarte. Recently one DTLINEN member traveled to West Germany using the Kennkarte. West German officials informed him politely that the Kennkarte was outdated. Based on this incident

[] decided that all DTLINEN members not in possession of Bundespersonalausweis should be issued them. Also he feels that a Fuehrerschein should be issued to support the basic identity document.

3. The information appearing on the application is allegedly identical with the various subjects' Kennkarte, which will be turned in as soon as new documents are received. It is suggested that MKTOPAZ select the places of issue and make any address changes necessary.
